

# INSIDE Community & State

The latest in Medicaid insights, trends & resources from UnitedHealthcare Community & State.

## COVID-19

### Immediate action will help homeless during COVID-19

As we face a pandemic, there are concrete actions we can take now to help those living in shelters, encampments and on the street. This list, compiled by UnitedHealthcare Community & State in collaboration with many on the front lines of the crisis, outlines the steps stakeholders should take to limit the spread and impact of the virus on this vulnerable population.

### Medical respite could fill care gap for those facing homelessness

When people don't have a home to return to after a medical stay, they struggle to find a place to rest and receive follow-up services. This often results in patients returning to acute care. Learn how UnitedHealthcare Community & State is exploring different financing and resource options to help close this care gap.

### \$5 million grant supports the hungry and homeless

Ever since COVID-19 reached the United States, there have been empty shelves in grocery stores and food banks. Andy McMahon, Vice President of Policy, Health and Human Services, shares how the UnitedHealthcare team supports homeless shelters, food banks and providers, and those facing homelessness and food insecurity across the nation during these times of uncertainty.
