The rise of value-based programs

While traditional fee-for-service models are based on volume, value-based programs (or value-based payment, value-based purchasing, or VBP) encourage quality and value over quantity. VBP models are helping to incentivize providers to improve outcomes and increase proactive health care outreach. Learn more in this short video with UnitedHealthcare Community & State leader Erin Henderson-Moore.

Understanding Medicaid

Within Medicaid, there are both mandatory and optional benefits. In this video, Samantha O'Leary, Vice President of Policy and Strategic Engagement, will go into the detail of each.

Serving those dually eligible for Medicare and Medicaid

Individuals eligible for both Medicare and Medicaid must navigate an uncoordinated set of benefits. Dual Special Needs Plans (DSNPs) can help.
