

INSIDE Community & State

The latest in Medicaid insights, trends & resources from UnitedHealthcare Community & State.

Building trust with community partners

The successful integration of health and human services means more positive outcomes for members — and it starts by collaborating with community-based organizations (CBOs). Learn more about the importance of building trust with CBOs in this discussion with UnitedHealthcare Community & State health and human services policy experts Andy McMahon and Kevin Moore.

New strategy for premature births

The U.S. has one of the highest premature birth rates in the developed world. However, evidence shows a specific type of prenatal support group could help reduce that rate by 5% in the next 10 years.
