

INSIDE Community & State

The latest in Medicaid insights, trends & resources from UnitedHealthcare Community & State.

May is National Foster Care Awareness Month

Children in foster care tend to have greater physical and behavioral health needs. Visit our Foster Care resource page to learn how we're working on solutions to meet the needs of the thousands of foster children we serve and their foster parents.

What do Blanket Waivers mean in the context of COVID-19?

Blanket waivers are federally administered waivers that help to meet the needs of the health care system, typically in response to a large-scale emergency. Given COVID-19, blanket waivers are being used to ensure care delivery needs can be met. See our new Medicaid glossary for more COVID-19 related terms.
